ABOUT ME

I'm an IT Service Management student who thrives in team environments and values communication and collaboration. I apply my technical knowledge to improve business operations by bringing the right technologies together. I focus on understanding what teams need, working closely with others to find solutions, and using technology to make workflows smoother and more effective.

EDUCATION

BS Information Technology Major in Service Management   *August 2022 to Present*
Batangas State University TNEU Lipa Campus
Recognition: Dean's Lister
